No longer do you need to incur the costs and hassle of traveling to weekend getaway “fantasy camps” in some remote destination! We bring the tennis fantasy to your club or back yard!

FULL DAY SMASHMOUTH TOUR PACKAGE: Contact us at WOW@WOWSportsInc.com for pricing. Smashmouth offers six (6) fifty (50) minute sessions. Each session can consist up to a maximum of eight participants to be separated into two groups of four with similar playing ability. The limited players is to ensure participants time is as intimate and personal as possible.

Smashmouth will run drills that Jimmy used while training on the tour and features a program that showcases Jimmy’s greatest strengths as a player. These drills ensure Jimmy & Cameron are hitting balls with participants the majority of the time and push players as hard as they would like to be pushed. Three sessions to be held in the morning and three in the afternoon. Smashmouth does request a break of at least 2.5 hours between the morning and afternoon sessions. Maximum participation is 48 players per day. Court times can be combined into two 1.15 hour sessions, or one full 2 hour and 30 minute session.
