We run fast paced, high energy drills that Mats ran as Sweden's Davis Cup Captain and drills Cameron trained with while preparing for the Futures Tour. Mats and Cameron are hitting with participants the entire time. Participation is limited to eight people per session (4 per court) to keep the participant's time as personal as possible. Two sessions to be run in the morning and two in the afternoon. WOW does request two hours between the morning and afternoon sessions. WOW is amenable to dividing each session into 30 minute sessions to allow for maximum participation of 64 players per day.

With a full day package, WOW will have either lunch or dinner with all the participants. This allows participants an opportunity to engage Mats and Cameron on a personal level. Ever wonder what match point in the US Open finals against Ivan Lendl was like? It truly is a unique opportunity.
