

Vince Spadea has teamed up with Cameron Lickle, creating the "Ultimate Tennis Fantasy" for you!

YOU NO LONGER NEED TO PLAN A WEEKEND GETAWAY ... THE GETAWAY COMES TO YOU!

**Vince Spadea**, former World #18 and **Cameron Lickle**, Naval Academy Sports Hall Of Fame have created the "Vince Spadea's Full of Aces Tour" presented by WOW Sports Inc. For a limited number of dates each year, Vince and Cameron will travel the World, bringing the biggest secrets of the ATP tour to your neighborhood. Not only does this duo offer a program full of drills that showcase Vince's greatest strengths as a tennis player, but we also offer you the opportunity to battle us in "FULL ON" doubles. Are you thinking you have what it takes to be victorious against them? See options below.

**SPADEA "FULL ON" DOUBLES PACKAGE:** Contact us at [WOW@WOWSportsInc.com](mailto:WOW@WOWSportsInc.com) for pricing. Vince and Cameron will come to your location of choice and play a "full on" doubles match with you and your friends, in an 8 game pro-set or best out of three set match. Each Game begins with you leading 15-0. Win more than 5 games in an eight game pro set, or more than 8 games in a three set match ... your time is on the house. Ad scoring and you can choose who serves first. Note: If you want to negotiate the terms, we are amenable. However, the stakes will change. Once the session is complete Vince and Cameron will have lunch or dinner with the challengers.

**SPADEA "FULL DAY" PACKAGE:** Contact us at [WOW@WOWSportsInc.com](mailto:WOW@WOWSportsInc.com) for pricing. For a Full day Package, Spadea Full offers 4 one hour sessions. Vince and Cameron run high energy, fast paced drills which focus on Vince's greatest strengths as a player (Hitting targets). The Spadea Full program will push players as hard as they would like to be pushed and ensures that Vince and Cameron are hitting with players the entire time. Maximum participation is 8 players per session, 4 players per court. Participants will alternate between Vince and Cameron's court every ten minutes while running simultaneous drills side by side.

At the end of each day, Vince and Cameron will have either lunch or dinner with all the participants. Ever wonder what it was like to beat Roger Federer? How do you turn around a 21 match losing streak? It truly is a unique opportunity!
